

SÉBASTIEN OFFREDO

Sébastien, we are so proud of what you have accomplished in just two years at Camden. From Color Guard Commander to Battalion Public Affairs Officer, you have grown into a great leader and young adult. We can't wait to see what your future holds! We are so proud of what you have chosen to become.

“La difficulté attire l’homme de caractère, car c’est en l’étreignant qu’il se réalise lui-même.”

Général Charles De Gaulle

You will be a man with character!

Avec tout notre amour,
