

NICHOLAS FIELDS

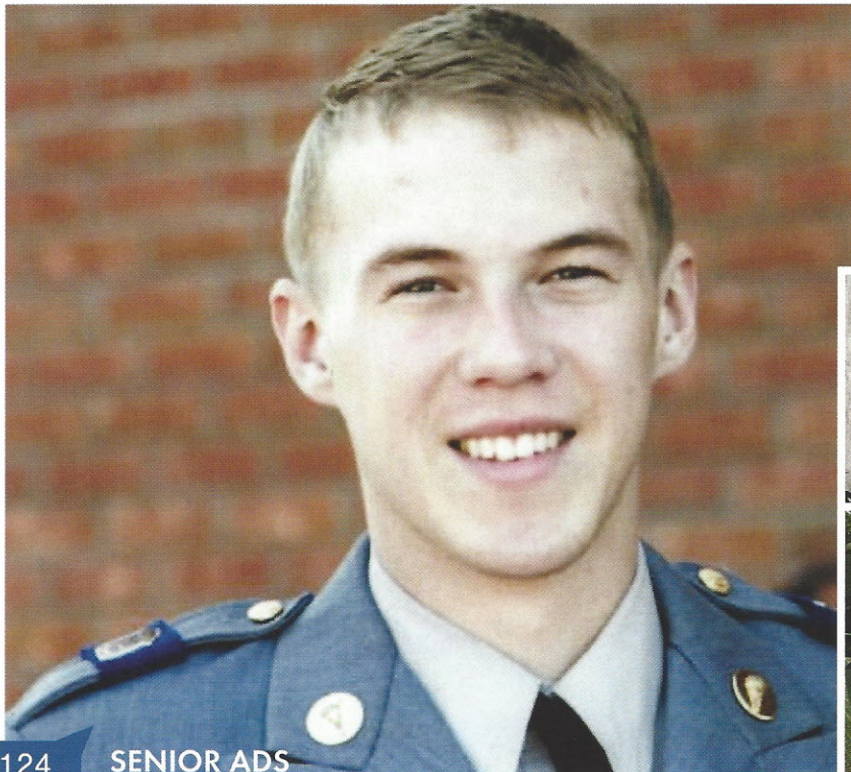

"For I know the plans I have for you, plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11. I swell with joy as I see you unfold the gifts and talents that are yours for the taking. Your accomplishments, especially this past year, have left me breathless and fill me with delight. Undoubtedly, we have shared a journey like none other. It has been marked with sheer laughter, tears, adventures, trials, times of uncertainty, frivolity, friendship, and questions....Oh, the questions!!! I still see the sheepish boyish grin from time to time, I now see a man of character and dignity with goals and a vision that will persevere. At age 5, you began as a knight in shining armor and have emerged a 2nd Lieutenant and a gentleman. You have a passion for life that is enviable as you are an adventure-seeker and one who can light up a room with your infectious laughter and insane antics. Oh, 'Bear of Brain,' there has never been a dull moment with you... bathroom stalls, burning squirrels, construction cones, flipping trucks, forking and illegal blue lights, clearing forests, Trump Rally, pride from dismantling mufflers, tasteless jokes, and your passion for radical Republicanism. Nicholas, you have been my strength, my buddy, and my delightful mess. As you embark on the next chapter, take these memories with you and put God first in all you do. You are grounded. You are good. Your family and friends are honored by the man you have become.

Much love to you!
