

National History Day State Competition

On April 29, 2017, three groups of cadets – junior group performance, senior group performance, and individual website – participated in the State National History Day contest held in Blythewood, South Carolina. These cadets had previously advanced from the regional competition in Columbia. The Junior Division Group Performance titled "Taking A Swing In History: Breaking the Color Barrier in Baseball and Changing America Forever" placed in second, advancing the group to the national NHD competition held at the University of Maryland in June. The group was made up of cadets Justin Davidson, Torsten Hemlin, Timothy Napier, and Nicholas Wilson. They are also the first junior division group from Camden Military Academy to ever make it to nationals.
