The JV football team's goal at the beginning of the season was to encourage young men who had never played football before to come out and join the team. We started with a total of 12 first-time players, and we wanted to field a team each week that competed hard everyday, not just on game day. These young men showed up for practice every day ready to work and ready to compete. We also wanted to play and compete with good sportsmanship because success on the field should not be measured by the number of wins a team earns. However, I am proud to be a part of a team that is once again undefeated and for the second year in a row. This season's biggest highlight was winning a home game in front of a large crowd of spectators. The team was very proud to represent our school in front of so many members of the CMA staff and fellow cadets. We were very fortunate to have several outstanding players this year. Cole Price was awarded the team MVP, as he played both ways, seldom came out of the game, and left everything he had on the field each game. Craig Comrie was our "go-to" guy on offense; what he lacked in size he made up for with speed, determination, and heart. He did an especially great job for us carrying the ball. Thomas Mills is an outstanding Quarterback with a very bright future with football if he decides to keep playing. Mills has great instinct that goes with his elusiveness and a powerful throwing arm; he did an outstanding job leading our team. I would like to thank Col. Boland, Lt. Col Lawing, and AD Will Rice for the opportunity to coach once again the JV football team, and I am very appreciative of their support. I want to express my gratitude to the parents, grandparents, and other family members who showed up to support our team, even from as far away as Ohio. I would like to thank these athletes for their hard work and dedication and, more importantly, for exhibiting great sportsmanship and being outstanding representatives of Camden Military Academy. The awards were as follows:

Most Valuable Player- Cole Price (Deerfield Beach, Florida); Most Valuable Offensive Lineman- Jalen Dawkins (Milledgeville, Georgia); Most Valuable Defensive Lineman- Garhett Koethke (Greene City, Ohio); Most Valuable Defensive Player-William Ince (Charlotte, North Carolina); Most Valuable Offensive Player- Craig Comrie (Linden, New Jersey); Coaches Award- Thomas Mills (Fort Mill, South Carolina); Practice Player of the Year- Cody Mathieu (Milledgeville, North Carolina)
