"Buster's" Home, Sweet Home is in Bowman, S. C., and he came here to finish his troubles. "Buster" was a very small boy when he came to us but he has developed considerably in the two years he has been on the Campus—due, no doubt, to his wonderful ability to pick a pantry lock. The greatest of this little fellow's ambitions is to own a toy train and a doll that will say "Mamma".

In all earnestness, we are proud to have "Buster" for a member of the Class of 1921. He is a credit to us and to Carlisle and our best wishes shall follow him in whatever line of work he undertakes. We feel that he is a man in intellect if not quite a giant in stature.
