

WE have furnished a complete service to the management of "The Palmetto" 1922. All extra art work, the engraving, printing and binding of this book were done in our plant.

This has been made possible by specializing on this class of work. This year we are doing work on something like 30 Annuals.

We are prepared to furnish a complete line of stock inserts, borders, panels, instruction books and many other necessities to an annual staff.

We sincerely hope that the management of "The Palmetto" is satisfied with the product of our efforts and that the incoming staff will confer with us before committing themselves on next year's contracts. We will have a more complete line of samples also. Don't fail to let us know when you can see our representative.
