"Tony" is well liked by all his classmates. This was shown when he was elected class president his Junior year. He was elected to the Honor Council his Senior year. He also stood high in military during his last year. We know "Tony" will achieve great things and we are all behind him.

HARRY HAYSLIP ARRINGTON, JR.
Augusta, Ga.

Harry came to us from Augusta, Georgia. This was his first year at Carlisle. Harry is the sort of fellow who is usually quiet, but can make noise when necessary. A boy with plenty of good old common sense, and if typing means anything we are sure that Harry will get his share of the world's goods.

RICHARD BECKMANN

"Beck" is a great athlete. There's nothing he likes better than to play football and to box. "Beck," like most of us, is expecting to be called to the army this summer.
