

## THE SENIOR CLASS

JAMES HOWARD MARTIN  
Charlotte, N. C.

*In the first part of the year Howard was one of the most playful boys we had at the school. We believe he took a great dislike for the "Bull Ring" so now he doesn't feel as playful as he was before.*  
42-43 Pvt. Co. A, Rifle Team.

ROBERT ELLIS MORRIS  
Washington, D. C.

*Here is one of the real fine fellows of our class—sturdy and true as they come. We think Bob, as his friends call him, will go far in the outside world and some day become a great musician. So—hats off to you, Bob.*

41-42 Pvt. Band. 42-43 Sgt. Band, Bugle, Orch.,  
Tau Sigma Epsilon.

DEMETRIOS X. MILTIADES  
Savannah, Ga.

*"Mitch" came to Carlisle in the fall of 42. He is a hard working fellow and tries to get all he can out of school. He is a first string forward on our basketball team and was well rewarded by being elected captain of the team.*  
42-43 Pvt. Co. C, Basketball.

EDWARD WILLIAM MULLIGAN  
Washington, D. C.

*Here we call him "Pat." He came to Carlisle in the fall of 42. "Pat" earned a berth on the football and basketball teams. He was a mainstay on both teams. He is well liked by all the boys.*  
42-43 Pvt. Co. B, Basketball, Football.
