

THE SEASON

THE GOLDEN CYCLONE began practicing early in order to show Coach Burnett what material he had with which to build the 1942 Carlisle team.

After weeks of strenuous practice the Cadets opened their season by defeating Orangeburg High School 19-6. This was a hard-fought game with Watson, Collins, and All carrying the ball for considerable gains. The Cadets scored in the first and third periods behind the blocking of Williams and Turner.

The "Golden Cyclone" then journeyed to Columbia to tangle with Brookland-Cayce High School. Both teams seem to have been somewhat off because they played on even terms until the Cadets began to click in the fourth period when a spot pass was completed from Collins to MacDonald in the end zone. Said, All, Hetzer, and Jackson played a brilliant offensive game with Laverty, Price, and Dorman doing fine defensive work.

In a return game with Brookland-Cayce the following week, the "Golden Cyclone" won easily by the score of 30-0. The Cadets scored almost at will, relying mainly on short passes. The Cadets did a marvelous job on offense with Said, Griffith, Watson, MacDonald, Tyson, Collins, and Berry making numerous gains throughout the game. Turner, DeLorme, Jackson, and Gay drove through the B-C line breaking up play after play.

Winning their fourth consecutive game the "Golden Cyclone" once again contributed thrills and excitement by defeating Olympia 26-13 on the local gridiron. Early in the first period "Rut" Jackson scored from the four yard line. Watson soon followed, racing 35 yards for another marker. At the half the Cadets were leading 12-0. Early in the third period a beautiful pass from Collins to "Nig" Griffith, who in turn lateraled to MacDonald accounted for another tally. Mulligan, and Beckmann made some beautiful gains in the fourth period. Tom Berry snagged a long
