

CARLISLE 19 ORANGEBURG 6

Carlisle displayed its real power for the first time this season as it rolled over a stubborn Orangeburg eleven 19-6 at the Fair Grounds. With a smashing ground attack the Cadets poured through the Indian line almost at will scoring a touchdown in every period but the last. The Cadet line, led by McCall and Glascock, smothered the Orangeburg running attack all evening, but the Indians managed to click with passes late in the fourth quarter to score in a futile attempt to get back in the game.

CARLISLE 0 BROOKLYN-CAYCE 14

The Golden Cyclone ran into unexpected opposition when they came to grips with a fighting B-C eleven. From the beginning it was evident that the B-C boys, who caught the Cadets flatfooted, were out for blood. B-C struck suddenly with a swift aerial attack that accounted for touchdowns in the second and fourth quarters. Schoepf and O'Neil led the only Carlisle threat, a 70 yard march to the B-C three which was halted only by the half.

CARLISLE 20 ORANGEBURG 13

Carlisle ran into a determined and never say die Orangeburg team when they met for the second time of the season. The Indians struck quickly through the air to score early in the first quarter. Carlisle bounced back quickly with their vicious running attack led by Norwood, whom the Indians found no means of stopping, for the touchdowns by the half to lead 13-7. The Cadets rallied again for a score on a series of downs with McKenzie making the touchdown. Orangeburg's passes counted again in the final quarter, but it was too late to do any good.

CARLISLE 19 PORTER 6

Entering the game as underdogs, an inspired Carlisle team pounced up on a big rugged Porter eleven unleashing a mighty show of power that kept the Charleston boys with their backs to the wall for the first three quarters. Porter had no off day; they were just unfortunate in challenging a smoothly running Carlisle machine that was at the height of its power. With running plays clicking perfectly the Golden Cyclone swept down the field to score in the first period with O'Neil carrying it over. Twice in the third quarter the Bamberg cadets scored with the first being called back on a penalty, but McKenzie followed through with another score. Again, in the third period, the Carlisle boys poured down the field with an invincible running game that tore the Porter line to bits to score twice, but again one touchdown was called back on a penalty. Schoepf ended the Carlisle scoring as he ripped ten yards through the line into the end zone. Porter finally got its running attack into high gear and scored on a series of line plays in the closing minutes of the game.
