This year as in the past, the student body has its own newspaper, *The Bugle*. Edited by a staff of capable cadets working under the supervision of Capt. Fred Dial, who acts in the capacity of faculty adviser, the paper is a source of great enjoyment and interest to the boys.

The content of the bugle is much like that of any other school paper dealing solely with Carlisle news and featuring educational and well written editorials, accounts of athletic events, and other school activities.

We feel that a great deal of credit should be extended to the *Bugle* Staff for their untiring efforts to please the student body in each edition of the *Bugle*. Their work has been very commendable and we, the REBEL Staff, wish to express our appreciation along with that of the entire corps, to our brothers in journalism.
