The Cadets then invaded Charleston for a clash with the high flying Charleston Bantams, but were turned back by a surprising score of 37-20. The Cadets were definitely having an off day, and the Charleston boys took advantage of this fact by using a dazzling passing attack which the Cadets were unable to stop.

With five first string seniors playing their last game for the black and gold of Carlisle, the Cadets romped over Barnwell for a rousing 42-20 victory. McKenzie and Carlyle, the only two lettermen on the squad, led the team with a determined passing attack. McKenzie again was the leading scorer of the game as he ran up 16 points.

The season ended with a victory over Barnwell on February 29. This year was a very successful one, being proven by the fact that our quintet defeated the Class "A" State Champions, the Charleston "Bantams."
