

## SENIOR CLASS

ROBERT BLAKE CARLYLE

Savannah, Ga.

*When "Bob" wasn't fighting the academics, he was usually putting on an excellent performance on the basketball court. We all like his "chin up" attitude, coupled with his sporting nature and pleasing personality. We cannot forget his services on our REBEL Staff and football team. His unsurpassed humor made him a wonderful roommate and won him many friends, in whose memories of academy life "Bob" will live forever.*

WALLACE AREY CHAPIN

*"Hey boys, let's get a jam session going and bring your drags!" That was Wally preparing to indulge in one of his passions. He had three: Music, athletics, and the fair sex. From the day of his admission, Wally steadily plugged away in his own serious, quiet, manner, with a matured outlook on life. He takes everything in his stride, and nothing can keep his spirits low. Never being bothered with such trivialities as studies, "Cookie" spent his spare time in doing odd jobs out in the workshop or shooting the bull with the boys. He is tops with the boys at Carlisle and others will learn that in the future.*
