

SENIOR CLASS

WILLIAM JACKSON KERSEY, III
Miami, Fla.

The "Ace" came to Carlisle ready to solve the mysteries of the school. A true Floridan, "Ace" isn't one who has to hit the books constantly to keep his grades high. Swinging out on the "licorice stick," he has done well in the orchestra and the band, and here's hoping that he will continue to do so in the future.

43-44. Pvt. Band; Orchestra.

JOSEPH LARRIMORE KING
Burnell, Fla.

Larry came to the academy from the city of "brotherly love," and being quite a "whiz" on the books, studies never puzzled him. Larry participated in the orchestra, via the trombone, so here's hoping he will blow his way to fame. The fact that he said little did not mean that he had little to say, and if that means anything, we know that Larry will go places.

43-44. Pvt. Band; Pfc. Band; REBEL Staff; Orchestra.

ROBERT ARTHUR KITTRELL, JR.
Florence, S. C.

"Blimp" isn't the athletic type, because athletics are too much work. His main interests have centered around hunting, but he always comes back with the story about the big one that got away.

"Blimp" has an uncanny ability to stay safely off the bull ring. His aggressiveness and acumen will certainly stand him in good stead in the fight ahead of us.

42-43. Pvt. Co. A. 43-44. Pvt. Co. A; Bugle Staff; Library Staff; Literary Society.

Sals of Luck, "Blimp"

TELEMAHAS CHARLES LAMAS
Savannah, Georgia

"The sun's always shining back home. I tell you, the weather's perfect." That is "Marco," a loyal native son forever plugging away for his home town. Nothing ever worries him though he always has a laugh for every one. His ability to steer clear of the "bull ring" is a constant source of wonderment. A better pal, when a pal is needed, would be hard to find.

43-44. Pvt. Co. A; Literary Society; Pfc. Co. A.
