

This year the orchestra has had an unusually successful season furnishing the school with an assortment of popular tunes for the cadets and their local "ladies" who attend the dances.

Under the leadership of Captain W. R. Padgett, the orchestra has provided many a gala night of music and entertainment in the school gymnasium.

Everyone is grateful for the fine work done by the "Brigadiers." We are certain that without their help in providing entertainment for the cadets throughout the year, the year could not have been as successful and pleasant.

H. D. GRIFFITH

CAPT. W. R. PADGETT
