

# ORCHESTRA

THE STUDENT BODY is very proud of its fine orchestra. The members, equipped with their various musical talents and abilities, have gained their well earned reputation of being real "Music Makers".

When the curtain rings up and you hear the familiar enchanting notes of "Stardreams", you are in for a gala night of excellent musical entertainment.

The orchestra under the direction of Capt. Rodney Padgett, plays for all the school dances.

Every man in school is grateful to the "Brigadiers" for the fine work and co-operation which they have displayed throughout the year.
