

CROSS SABER CLUB

The Cross Saber Club is probably the oldest and proudest of all the Carlisle organizations. It is composed of the executive officers of the corps of cadets. These are the commissioned officers of the battalion staff, band, and companies.

The members of this club convene informally with the cadet major presiding, to discuss matters pertaining to the betterment of the school. As a result of this, each year has been one of great improvement.

The success of the school depends upon these few officers, for through them the conduct and morale of the corps flourish.
