

# ORCHESTRA

The student body is very proud of its fine orchestra. Equipped with their various musical talents, these boys have gained the well-earned reputation of being real music makers.

Under the capable leadership and perseverance of Capt. William Scaffè, the Carlisle orchestra has been made into a smoothly functioning organization. The "Brigadiers," as they are commonly called, play for all the school dances and perform at various outside engagements.

We are certain that without their help in providing entertainment for the cadets throughout the year, it could never have been as successful and pleasant.
