

# BLOCK "C" CLUB

Membership in the Block "C" Club is limited to those cadets who have earned a varsity letter in one or more of the four major sports at Carlisle. Since the requirements for earning these awards are very rigid, the membership roll includes only those men who are outstanding in their respective fields of athletic endeavor.

To be a member of this organization is a coveted honor, because among the privileges of membership is the wearing of the Block "C" sweater as part of the uniform. This sweater is the symbol of long hard hours of toil and sweat on the gridiron, hardwood, diamond, or in the ring. The club also holds an annual banquet each year, it sponsors dances and intramural athletic events, and it enjoys many minor social functions.
