

# "A" BASKETBALL TEAM

*Kneeling, Left to Right: GILLIKIN, TOWNLEY, McCREADY, JESTER, GUEST. Standing: BRYSON, Manager; HUGGINS, C. B., MILLER, G. W., MIXSON, McCULLY, DURDEN, Coach BURNETTE.*

The Carlisle "Pivoteers" began what became a very successful season with few returning members of last year's quintet. Under the careful guidance of Coach Burnette, the inexperienced were soon developed into fine material. This year's team had confidence, coordination, speed, careful ball handling, and the ability to hit the goal when it was most needed.

All of these factors when added together show only one thing; that it takes pretty good opposition to put a lid on the Carlisle basket.
