

The Golden Cyclone of Carlisle lived up to its pre-season expectations by completing the 1950 football schedule undefeated. The Cadets played decisive ball, clean, but hard; like the game should be played. Running from the single-wing plus the Notre Dame "T" formation, the gridders were soon molded into a smooth-functioning team.

Under the watchful eyes of coaches Burnette, Burch, and Eargle, the Cyclones of 1950 will long be remembered at Carlisle, as well as by those who attended their games throughout the autumn.

CARLISLE 6 NORTH AUGUSTA 6

The cadets opened the season with a high-spirited North Augusta 11 on the latter's field the 29 of September. Playing on a muddy, slippery field, which made fumbles frequent, the Cyclones could never get in high gear, and had to leave with a draw from the Georgia boys.

CARLISLE 13 CHESTER 13

When the Golden Cyclones invaded the Red Cyclones of Chester, spectators agreed the teams were well matched. With both teams battling from goal to goal, and with savage blocking and tackling shown by the contestants, the ball game terminated with undecided superiority.

CARLISLE 20 . . . BATESBURG-LEESVILLE 0

Carlisle took an early lead and was never threatened by the Yellow Jackets from B.-L. Playing their first

home game of the season, the Burnettemen put on a superb display of running, passing, and tackling, which was vastly superior to that of their opponents.

CARLISLE 48 BISHOP ENGLAND 0

Continuing their rampage, the Cyclones breezed through the "Geechies" from Charleston with little difficulty. Making their second home appearance, the Carlisle gridders kept the scorekeeper busy, scoring twice in three periods and once in the fourth.

CARLISLE 24 CATHOLIC HIGH 0

Showing a fast running attack, the Cadets stymied their adversaries with three quick T. D.'s before the Green Wave could turn around. The 24-point margin broke the back of Catholic High and they never threatened to cross Carlisle's well-guarded goal.

CARLISLE 7 GREENWOOD 6

Playing the entire game in a continuous downpour, the Cyclones defeated a game but outclassed Emerald 11 on the latter's field. Both teams played heads-up ball, but the one-point margin held by the Cadets was all that was needed for another victory.

CARLISLE 34 PORTER 0

Moving to Charleston where they encountered their traditional rival, Porter Military Academy's Purple Cyclone, the Golden Cyclone unleashed a terrific scoring punch that was unparalleled. Traversing the field five times to paydirt, the Carlisle 11 kept the schools record untarnished.
