

CROSS SABER CLUB _____

The Cross Saber Club is probably the oldest of all the Carlisle organizations. "Tradition, honor, loyalty, duty, fraternalism," these five words well describe the club.

Here we find the executive officers and the living backbone of the corps. It is composed of the commissioned officers of the battalion, the staff and the band.

The officers of this club convene often with the cadet major to discuss matters pertaining to the betterment of the school.

The success of the school, as well as the conduct, morale, and general attitude of the corps of cadets depends on these officers.
