

# BASEBALL

---

1950-1951

With a handful of experienced diamondmen, and a host of newcomers to the game, Captain James Burch will strive this year to mold a baseball team to equal the high standards of sportsmanship and playing ability that have been established by Carlisle teams in seasons past. In preparation for the contests scheduled on this year's game calendar, Coach Burch will prescribe strict training regulations to be observed and practiced by every member of the team throughout the playing season.
