

# BATTALION

Under the very capable leadership of Capt. Waddy Thompson, P. M. S. & T., and Capt. William Scaffè, Band Director, the Carlisle battalion, increased in size by the addition of "D" Company, enjoyed a very outstanding year. The cadet officers gave their utmost in ability and leadership to produce a very well organized and efficient military unit.

Class instruction and daily drill periods keep the cadets in the finest of military discipline and precision. A formal inspection of both personnel and barracks is held each Saturday morning, and the big highlight of the week, dress parade, is held on Sunday afternoon.
