

FOREWORD

For you, the readers of the '55 REBEL, we have endeavored to produce a book portraying the school year, to be referred to for memories for many years. These pages will bring you the cadet, his duties, classes, athletics, activities, and above all, his classmates.

The 1955 REBEL Staff sincerely hopes you will keep this book as a link with cherished memories and enjoy a look back at times. If this is true our efforts will not have been in vain.

Sincerely,

THE REBEL STAFF.
