### MAJOR JOHN PAUL PATTON

For his sincere and human interest in all of the cadets, and in grateful appreciation for his years of helpful service in many fields, this 1956 edition of our yearbook, *THE REBEL*, is respectfully dedicated.

### MR. ALLEN E. CADLE

Mr. Cadle was killed this year while flying his airplane. He was one of the instructors of aviation and the owner and operator of the Bamberg Airport.

Known by most of the cadets, he was well liked and looked up to.
