THE HONOR COUNCIL

One of the greatest honors which can be bestowed upon a cadet is that of being selected to serve on the Honor Council. The Honor Council is composed of seven cadets, the company commanders, the captain adjutant, and the cadet major, who are so honored by virtue of their military rank. Major Waddy Thompson is the faculty advisor in this organization.

It is the duty of this group to recommend judicial punishment for those cadets who, by their actions, have committed an offense which reflects discredit on the honor of the Corps of Cadets. When such a violation occurs, the party is given a hearing in which all evidence, testimonies, and witnesses are brought together in order that a fair verdict may be reached. This verdict, along with punishment, is recommended by the Honor Council to Colonel Risher for approval.
