

NON-COM CLUB

The non-commissioned officers constitute a large amount of the military organization. They are responsible for carrying out the orders of the commissioned officers and also for the discipline, morale, and enforcement of the rules and regulations.

These cadets perform duties such as officer of the guard, sergeant of the guard, and the military police. Whether these duties are performed satisfactorily, and the conduct, morale, and capability of these cadets is good, will determine if they will be the succeeding year's commissioned officers.
