The Library Club is one of the most active organizations at Carlisle, and helps the cadets to acquaint themselves with the services, resources, and procedures of the library.

The library has many good books on its shelves to help the cadets with their book reports and themes throughout the school year.

The main objectives of the club are: to get the cadets interested in good book-reading; to improve his vocabulary; to get the cadet more interested in the club; and to develop leadership in the Corps of Cadets.
