

CROSS SABER CLUB

The Cross Saber Club is one of the most honored and respected organizations in school. It is composed of the Commissioned Officers of the battalion, the staff, and the band.

The men of this club have frequent meetings to discuss matters pertaining to the development and betterment of Carlisle. The judgment and ability of the officers determines the success or failure of the Cadet Corps. These men must set the example for the battalion at all times.

They are selected because of their willingness to work, honor, loyalty, and duty. And because of this they have obtained one of the highest honors at Carlisle, that of serving as a cadet officer.
