

INTRAMURALS

First Row: RAVENEL, MYERS, RYKARD, ESCUDERO. Second Row: KNOWLES, PARRISH, WILLIAMS, KELLAHAN, Team Managers.

The intramural program is organized with the Corps divided into ten groups or teams, each under the leadership of its own cadet manager. Each team participates in every sport on the calendar, and points are awarded on the basis of standing in each phase of competition. The championship is determined by overall standing at the end of the second year. Competition is keen in touch football, basketball, blitzball, softball, and ping-pong. A track meet will also be held before final standings are determined.
