## HONOR COUNCIL

The Honor Council is composed of the seven highest ranking cadet officers: The Cadet Lt. Colonel, Captain Adjutant, and five Company Commanders. The Faculty Advisor is Major Waddy Thompson.

One of the unique things about Carlisle is that discipline in the cadet corps is handled almost exclusively by this group. After trying the case thoroughly, a verdict is reached and submitted to the Headmaster for his approval.

This is the most respected organization at Carlisle, and great responsibility is given them.
