

As editor of the 1960 REBEL, I would like to take this opportunity to thank all of those persons who have helped make the publication of this book become a reality out of a vision.

It has been our aim to produce a yearbook which will bring back pleasant memories of years at Carlisle—the fun and companionship the students shared; the hours spent enriching our minds in the classroom and developing our

personalities through extra-curricular activities. This book attempts to record the happenings of a most important phase of our lives.

My sincere thanks and appreciation go to the staff and to the faculty officers for their untiring efforts in helping to get this material ready for the press.
