

CERO is responsible for the entertainment and recreation at Carlisle.

Under the supervision of Major Carson Sturgeon, CERO plans and decorates for the formal and informal dances which are held at regular intervals during the school year. The members of the group devote a great amount of their time and effort in planning for the decorations and arranging for the music for the dances.

Much credit is due to this organization and to its members who donate their free time to provide cadets with a more enjoyable social life.
