FELLOW SENIORS:

These last four years have been a lot of work and a lot of fun. I seem to remember more of the good time than the hard ones.

I have been highly honored to serve as your president this year, and I hope I have been able to do my job in the best interests of the class.

You have been great, and I think we have all done a good job to make this senior class the best one to graduate yet.

I wish you all the best of luck in whatever walk of life you choose and hope we will always be friends.

Sincerely,
RONALD T. PERDUE,
President.
