TO THE CLASS OF "62"

Well fellows, this has been a hard year for all of us, but with a little help from everyone we have finally become seniors.

The officers, Vice-President, Perry Bryant; Secretary, Homer Groce; Treasurer, Jug Parrish, along with the other members of the Junior Class, have all helped in making this the best class yet. We hope to have the best Senior Class Carlisle has ever had next year.

Sincerely,

BEN SUMMER,
President.
