

*Thank You*  
MISS JUDY

Your kindness and devotion to all of us has left its mark, Miss Judy. You have given of yourself so very freely; you were our "mother" away from home, and we shall never forget you. The REBEL Staff, on behalf of the entire Corps of Cadets at Carlisle, wishes to take this opportunity to say that we have never known a nicer person during our stay in Bamberg.

1961 REBEL STAFF.
