1961 GOLDEN CYCLONE

a big year for FOOTBALL

Athletics is a very important phase of cadet life. The importance is not only evident in the physical condition of the men, but also in the teamwork, in competitive spirit, and in the sense of fair play which it fosters. Under Coaches Philips and Young, Carlisle football this year saw the fruits of labor of a month's sweat and blood during early practice.

The last game was with Camden, and the hard work of Carlisle paid off. The Cyclones went ahead in the first three minutes and dominated play the entire game, winning 35-6. The football trophy was ours. We are proud of the team and their record of nine wins and one loss. We hope that in years to come Carlisle will field teams that will play as hard as this year's team.
