CAPTAINS AND ADVISOR. *Reading From Left to Right:* CRISCO, SEARS, CAPT. THREATT, GROCE, BRADSHAW, SYLER, CROWN, J. P.

The Intramurals program meets a very definite need at Carlisle. This program provides recreation for cadets who are not participating in varsity sports. Included in the program are: football, baseball, softball, and basketball. We sincerely thank Capt. Malin Threatt and his cadet staff for their efforts in providing us with a worthwhile program, such as this, in order that we may more fully enjoy our days at Carlisle.
