Dear Max,  
Your kind invitation for me to judge your  
1961 "Miss Carlisle" contest was greatly  
appreciated. It has been a pleasure.

As far as I am concerned, each girl is a  
winner and should feel honored to have been in  
the competition. After much thought I have finally  
selected your Queen and her court. They are marked  
on the back of the pictures.

Thank you again for thinking of me. Best wishes  
for a most successful yearbook.

Sincerely,

Betty Lane Cherry Gramling
