## *CROSS-SABRE CLUB*

The Cross Sabre Club is composed of the commissioned officers here at Carlisle. During the year, the Cross Sabre Club initiates many worthwhile projects in order to earn money for fixing up their clubhouse.

This clubhouse is always kept in perfect condition by the officers; this year new flooring, a refrigerator, a sink, and a stove were some of the improvements. During the year, officers often invite their dates to the clubhouse for refreshments during dances. During week-nights, the officers who qualify may go to the clubhouse for a little relaxation and television.
