FELLOW CLASSMATES:

These past six years have been hard, but yet easy in a way for me. As I have seen most of you come into Carlisle, and join the Senior class, I have grown to know you all well. Those of you who have helped me, I wish to thank you for all you have done.

I think that the class of 1962 has been very cooperative in most matters. Most of us will probably look back on this as one of the best years of our lives. I want to wish you all the best of luck in the world as you leave Carlisle.

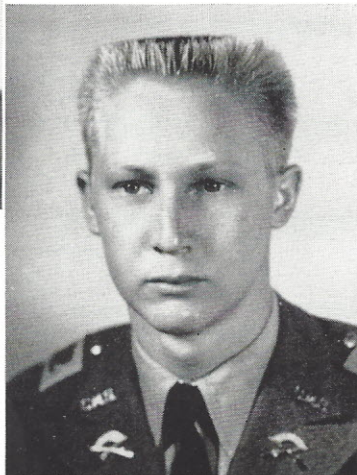

Sincerely,

BEN H. SUMMER,
President/Class of 1962
