THE LIBRARY STAFF

Throughout this year, Mrs. Harold Rice and the members of the Library Staff have tried to increase the efficiency of the Library. Together they have worked to afford the Corps of Cadets with the best selection of books and periodicals.

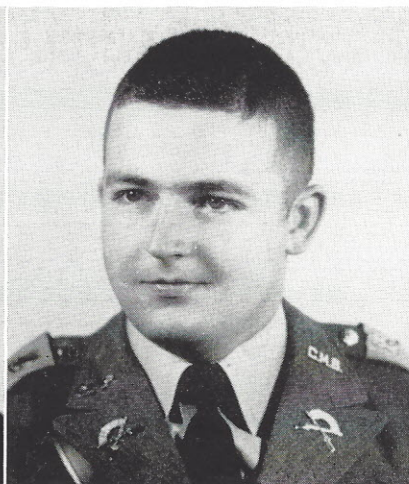

The Carlisle Library Staff is a member of the South Carolina Library Association and participates in library conventions throughout the State.

By the combined efforts of these people we are assured that the Library will continue to serve the students of Carlisle and maintain the high standards that have been set this past year.
