

FRONT ROW: Schofield, Dauth, Berryman. BACK ROW: Christmas, Lanflisi, Garvin, Ayars.

## THE 1962 FLIGHT CLUB

The Carlisle Flight Club offers a very interesting and educational hobby for those cadets interested in the art of flying. Each member may take flying lessons and after the minimum required number of flying hours,

he receives the proud "wings" of the student pilot.

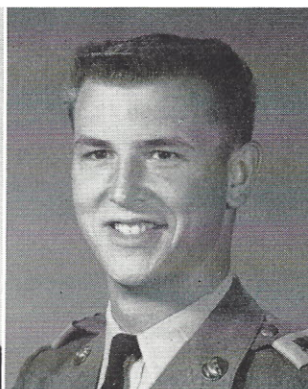

The club is under the direction and training of Mr. J. W. Hendrix of the local Bamberg Airport.
