THE BLOCK "C" CLUB

The Block "C" Club is composed of boys who have earned a letter in a varsity sport. The club engages in various social activities and offers extra recreation and privileges to its members.

To be eligible for the club, a cadet must have earned at least one letter in either track, football, baseball, basketball, golf, or two years of cheerleading. After this, he must go through one of the two initiations of the year,

and then be accepted by the old members.

The club has a party following each of the initiations, which are after football season and after baseball season. The big party, which everyone looks forward to, is given at the end of the year.

The Block "C" Club is one of the most respected clubs of the school, and anyone who gains membership certainly should be proud of himself.
