

To
MAJOR
WADDY THOMPSON

We of the 1963 REBEL are proud to place this annual in dedication to Major Waddy Thompson. In his 20 years at Carlisle, Major Thompson has been directly responsible for the military program of the Corps of Cadets. It is greatly due to his work as P. M. S. that Carlisle has been able to maintain its high rank as a military institution.

The Corps of Cadets is deeply indebted to Major Thompson for the job which he has done in aiding them and Carlisle, and the REBEL Staff is glad to dedicate the 1963 REBEL to one whose work deserves this reward.
