SENIOR CLASS OFFICERS

FELLOW CLASSMATES:

The time has come to bid each other our farewells. The majority of our class will never meet again. Though time may soon erase the remembrances of these friends, and though our lives may lead us in many different directions, the memories of our years together at Carlisle will always remain a treasured gift and companion.

And now as we set forth to establish our positions in the world, let us always remember the enlightening lessons which we have learned here.

Together with Crip, Flip and Bob, I close, wishing you the best of happiness and success.

Sincerely,

BOB EYERLY,
President Senior Class.
