

DEDICATED TO MAJ. WILLIS F. MARTIN

We of the annual staff take great pleasure in dedicating the 1964 REBEL to Major Wick Martin. Major Martin has been at Carlisle for 11 years. In his time here he has handled grades and is now in charge of the student bank and advisor to the Golf team. He has seen his son come here to teach, and then go on to continue his education.

Major Martin is well known by the cadets, especially on Wednesday. As we have said he is well known and, due to his wit and willingness to help, well liked. We are sure the cadet corps agrees with us that this dedication is well deserved.
