SENIOR OFFICERS

FELLOW CLASSMATES:

Finally we are about to graduate. These past five years have gone by all too fast. We, as a class, have had a lot of hard times, but I think the good outweighed them.

As we go our separate ways out into life I hope we can carry fond memories of these years with us. Though most of us will not see each other again, I wish you all the best of luck.

Sincerely,
PEE WEE PHILLIPS,
President Class of 1964.
