## BLOCK "C" CLUB

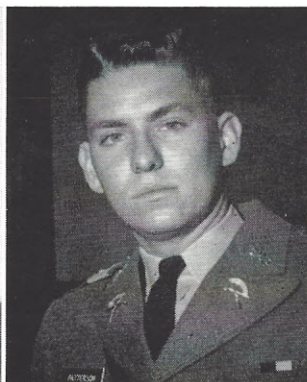

The Block "C" Club, which is the most recognized and enthusiastic club in the School, is made up of boys lettering in varsity sports. Two initiations are held each year for the boys qualifying. The initiation is hard, but no one minds,

because he knows his day of revenge will come. This is the only club which invites the entire faculty to their parties, and also is the Sponsor of the Joe Norman Award.

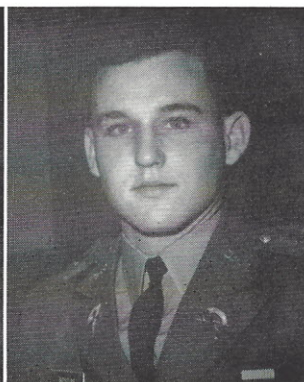

**RHETT GOODMAN**  
*Vice-President*
